Building Strong Community Through the Arts

“The Alberta Council for the Ukrainian Arts (ACUA) is an important organization that unites and promotes artists who use their talents and creativity to express the Ukrainian spirit and sensibility. Their performances, music and images convey the meaning of being Ukrainian in our time and place.

ACUA serves the common good by helping artists to communicate with one another, exhibit their works and distribute their cultural products to the public. I thank ACUA members for their volunteer work and recommend the public support their fundraising efforts.”

About ACUA

The Alberta Council for the Ukrainian Arts (ACUA), founded in 1986, is a provincial organization dedicated to the celebration of all genres of Ukrainian arts. ACUA's mission is to foster the growth and awareness of artists of Ukrainian descent and all forms of Ukrainian art in Alberta. Through exhibits tours, festivals, education programs and workshops, special projects and a bi-annual arts magazine, ACUA brings Ukrainian artists and Ukrainian art forms to the greater community. From painters to poets, musicians to dancers, Pysanka writers to photographers, we celebrate all genres of art.

Did you know...

- ◆ Edmonton boasts the largest settlement of Ukrainian Canadians in Canada.
- ◆ Alberta has over 330,000 people with Ukrainian heritage, and of those, 146,000 Ukrainian Canadians are living in Edmonton.
- ◆ The Signature Artists Series will provide an opportunity for ACUA to increase Ukrainian artists' provincial and national exposure and will benefit the arts community as a whole.
- ◆ It will enable persons not of Ukrainian descent to learn about the rich traditions of Ukrainian people, their culture and their art.

This series is especially important to the Ukrainian Canadian community in light of the recent events in Ukraine. Celebrating and recognizing contributions made by persons of Ukrainian descent is timely. It will also provide opportunity for persons who are not of Ukrainian descent to learn about the rich traditions of Ukrainian people, their culture and their art.
