

Linda Baker (nee Senko)

Linda grew up on a small mixed farm in Saskatchewan. Since she enjoyed the 4-H clothing program, the lure of the Clothing & Textiles program at the University of Alberta brought her to Edmonton where she has made her home.

Pursuing various crafts during child rearing and then while in the working world has always interested her. Since all of the children were in Ukrainian dance she has made the costumes, some with cross stitch embroidery.

The most recent crafting interest is in paper crafting – cards, scrapbooking, etc. She is the beginning to teach the next round of card classes and scrapbooking classes. Please contact her at linda.stamp.up@gmail.com. She looks forward to meeting you!
