

Korali

Come and learn the tradition of creating a Korali necklace. The workshop will include discussion of the types of coral beads traditionally used and currently available, techniques for planning the beaded necklace, types of string and wire used, and clasps available. Your Korali necklace will be an heirloom to cherish and share your Ukrainian heritage with future generations." Each participant's kit will include red Bamboo Coral beads in four sizes to create a 3-strand necklace, clasp and loops, beading wire, beading needles, beading tray with cover and other tools. Students will take home a completed Korali necklace and all supplied tools.
