

## Rag Rugs

Learn how to turn your old t-shirts and fabric scraps into a rug! Bring with you any old sheets, pillowcases and anything cotton that's easy to tear into strips (no knit material). Choose a colour scheme, or make a multicoloured rug! You will also need to bring with you: scissors, measuring tape, sewing thread, thread needles, strong string, hammer, and one inch head nails. You will be working with a 14 X 20" frame to create a rug of the same size.
