

# Now Accepting Gallery Proposals!

**The Alberta Council for the Ukrainian Arts (ACUA)** is a non-profit organization that operates the ACUA Gallery & Artisan Boutique. It is the mandate of ACUA to facilitate and encourage greater appreciation and awareness of the Ukrainian arts and their cultural significance to the greater Alberta community. The ACUA Gallery & Artisan Boutique is located at 9534 - 87 Street in Edmonton, Alberta.

ACUA is looking for artists to showcase their work for one month in our Front Gallery, as part of our Signature Artist Series. Exhibitions will take place **September 2019 - June 2020**. A jury comprised of ACUA board members and volunteers will evaluate submissions. Proposals will be judged based on quality of work, artist commitment and investment in their practice, as well as the work's ability to draw and engage viewers. ACUA Gallery sets out to exhibit a fair and balanced representation of artists, media and disciplines.

If submitting artists are not of Ukrainian background or heritage, we ask that proposed artwork shows some connection to Ukrainian culture be it in style, content, or subject matter. We accept proposals for solo exhibitions as well as portfolio submissions to participate in a group show. There is one main exhibition space for the Signature Artist Series, which provides an intimate area with large windows and lots of natural light.

ACUA Gallery & Artisan Boutique provides printed and online marketing for exhibitions as well as an opening reception with complimentary food and wine. The gallery promotes and facilitates artwork sales made during the exhibition and only takes 25% commission. We encourage artists to be in attendance at the opening reception.
