

Russo-Ukraine War Timeline Activity

Introduction

Students will arrange the events of the “Russo-Ukraine War Timeline Worksheet” in chronological order. Then together as a class, go through each event and talk about its significance.

Activity

Once the order of events have been established, separate your students into pairs (or groups depending on the class size) and each pair will choose one event from the Russo-Ukraine War timeline. The pair will conduct research on the event and explain the significance of the event to the war.

Conclusion

Summarize each event with your students. Emphasize the importance of each event in relation to the Russo-Ukraine war.

Assessment of Student Learning

Here are some of the ways that you could assess the activity. Students can;

- Create a presentation and present to the class about their findings.
- Write up a report about the event.
